

Notice for California Residents

On January 1st, 2026, we will be implementing an updated checkout process for all California residents in order to comply with California Civil Code § 3273.51 (e).

This updated process will require a quick identity verification before your order can be submitted. The verification only takes a few minutes and once completed will not be needed again.

We understand this may be frustrating and feel inconvenient, but it's a requirement we must follow to continuing offering The World's Finest Triggers™ to our California folks.

If you have any questions about the checkout process or the California law, please feel free to reach out. We're here to help!
